### ***QUALITY POLICY***

Rojo Trailer S.L. is dedicated to the manufacture and assembly of industrial bodyworks, tippers, low-loaders and special vehicles. Along more than 30 years of experience, its products and services have been increased for its clients. One of the more recent incorporations has been the manufacture of machinery-carrier vehicles.

Our products quality has improved along these years in geometric progression. We focus most of our attention to the client, since almost every vehicle's body is manufactured under a personalized way according to the client's necessities. This means, a great communication in and out of the company and a great capacity to be adapted, accomplishing the legal applicable requirements

***Thus, we could say that our actions are based on the following principle:***

**“CONTINUOUS IMPROVEMENT, EXPERIENCE AND COMMUNICATION, ENSURE GOOD RESULTS”.**

Nevertheless we are concerned about being able to improve and about our potential. For that purpose we have the quality certification in accordance with regulation ISO 9001: 2008.
